

Make us part of your cancer survivor team

Because cancer **support.**
is more than treatment.

The Cancer Help Center at the Rio Grande Cancer Foundation is El Paso's largest cancer support community. We believe that education is a vital part of cancer support. Our **public services, support services, and events** promote awareness, early detection, healthy living, quality of life and provide financial and material support.

Patient Assistance and Transportation Services

We provide financial assistance in the form of a pre-paid gift card that can be used for travel, lodging, co-payment, diagnostic and other cancer-related costs.

A physician's referral is required, along with proof of residence in El Paso County, and must comply with our guidelines. Assistance is limited, and depends on current availability of funds.

No-cost beauty essentials for cancer survivors

This program provides wigs, hats, scarves, mastectomy garments and lymphedema support, all free of charge. Our certified fitters are dedicated to delivering a personalized experience tailored to your needs. *Appointment required, please call or visit our website.*

Community Classroom

Nurturing community, classes & events

Free presentations, classes, and support groups for adult cancer patients, their families, and caregivers. Topics range from crafting, painting, journaling, pet therapy, nutrition, cooking, even gardening. Visit our website for our calendar and to sign up.

Want to host or teach a class? We are always looking for new ideas and volunteers. We hope that you will volunteer your services free of charge, but if that's not possible, we will attempt to find sponsors to cover your fee. The cost of all materials/supplies will be covered, we just need YOU!

Cuideate

Mens Health & Awareness

An outreach initiative raising awareness and offering support for men's health.

There are things you can do every day to help prevent getting certain cancers, like making healthy choices and getting the screening tests that are right for you. Our effort is to spread the word about men's health awareness in El Paso. Simply put, early detection saves lives.

We're Here for You.
cancerhelpcenter.org

Every day, we anticipate and meet the needs of adult patients, caregivers, and families facing every type of cancer, at every age and at every stage in their journeys.

Community support and education are a powerful combination.

June is National Cancer Survivor Month and we invite you to kick up your heels to celebrate all cancer survivors! While events are planned throughout the country, we host a special, "Give Cancer the Boot," line dance party.

The T.E.A.L. Fund at the Cancer Help Center to help women in need of support of gynecologic cancers as well as local research for ovarian cancer. **September** is Ovarian Cancer awareness month, keep an eye out for events during this month benefiting the T.E.A.L. Fund.

Every **October**, we host the Pink Boutique, featuring fashion items exclusively for breast cancer survivors, at a deeply discounted rate, including bras, camisoles, pajamas, and swimwear. Vendors and prize drawings make this a wonderfully pink event.

The Brovember Campaign every **November** promotes Men's Health and Cancer Prevention through healthier lifestyle choices and early screenings. Keep an eye out in June too, as we celebrate taking care of all of our father's out there.

Our Bee Sun Smart campaign provides students with a brief, effective sun risk and sunscreen education. Our classroom materials include a simple lesson plan and a coloring book suitable for elementary students. Our Bee Sun Smart mascot Beezley is also available to visit your classroom.

Stay up to date with dates and details for these and other events on our social media and website!

The Rio Grande Cancer Foundation exists solely for the benefit of the citizens of El Paso County. We are a homegrown organization whose purpose is to aid and assist local cancer patients and other concerned community members in their search for information and support. Our funds remain in the El Paso area to serve El Pasoans.

As leaders in the cancer care community, the Foundation strives to build support and collaboration among the non-profit and cancer providers through convening and sharing of information.
